

C S Y S

Parent's Handbook

Coral Springs Youth Soccer is a not for profit youth sports recreational program dedicated to the growth of our players through active involvement in team sports. Our primary goal is fun and enjoyment, not winning or losing.

Our volunteer coaches and referees have all received age specific training and are committed to the primary elements of our league.

CSYS goes to great lengths to ensure equal playing time and positive coaching techniques using volunteer board members to oversee games to guarantee the positive environment.

CSYS strives to promote a positive environment and we look to relatives and friends of participants along with our coaches and board members to make this a reality.

- ◆ Be positive in support of the players, referees and coaches.
- ◆ Be aware of your sideline behavior.
- ◆ Set a good example for the kids.
- ◆ Please no smoking or foul language.
- ◆ Please cooperate with league officials.
- ◆ Be supportive of the referees, an important part of our program is bringing up young referees.
- ◆ Communicate with coaches when your kids must miss a game or practice.
- ◆ Always try to be on time.
- ◆ Above all, have a great time!

Together, we can make this a great experience for everyone involved, most importantly our children.
